

SIG-FAIMI

Special Interest Group on Fairness of AI in Medical Imaging

What is the FAIMI mission?

1. **Address and mitigate fairness** issues in medical imaging AI.
2. Engage with fairness **experts** within and outside MICCAI.
3. Boost **research on AI fairness** in medical imaging and emphasize its importance.
4. Expand the MICCAI network to **include legal and ethics** specialists.
5. Improve **communication** and **resources** on AI fairness.

Let's shape fair AI in medical imaging together, your expertise matters!
